Club Number: 9123 Report Period: **July 2009** Submitted at **Thu Jul 30 17:19:20 2009**.

PROGRAMS:

At the July 9th meeting, we hosted a representative from Trout Unlimited. The club learned about programs to that protect vital water resources and maintain a proper ecological balance. The program teaches young people about conservation and provides handicapped people with an opportunity to fish and enjoy nature.

FUND RAISERS:

July is a transition month for the club, and the leadership is busy planning the Clifton Car Show scheduled for Labor Day Weekend. This is the tenth annual show, and Lion Jim Chesley will continue to serve as the chair for this event for the tenth time. The club expects to raise about \$25,000, and this year's charity recipients will be Life with Cancer and Northern Virginia Therapeutic Riding Association. The Club has a committee set up to review potential new fundraisers, and is busy planning the other major fundraisers: Clifton Day, annual Christmas Tree sales, and White Can Day.
