PROGRAMS:

Our first meeting of the Lion Year was an "Ice Cream Social" and was organized for pure fun so that our members are ready to start the year off energized and eager to make 2009-10 even better than last year. We were able to borrow several Aquia Evening Lion Past-Presidents' Scrapbooks for our members to browse. One of our guests was Grace Roth, the first AEL President of the Aquia Evening Lions in 1992. After our announcements and awarding of Perfect Attendance pins, we entertained ourselves with Karaoke. Earlier in the month, we enjoyed a joint picnic at Lions Park with the Aquia Host Lions.
